

Parents:

Summer School Age Child Care (SACC) is offered at FCPS elementary schools from July 6 to August 20, 7:15 am to 6:15 pm, Monday through Friday. A minicamp experience will be offered. Visual and performing arts, sports and specialty camps, like a new culinary camp will be offered. To enroll children who will enter grade 1 through grade 7 grade this fall, call 703.449.8989, TTY 711 or visit <http://www.fairfaxcounty.gov/ofc/sacco9summer.htm>.

Fairfax County School Board's final budget is \$2.2 billion for next year, better than originally thought, but still stringent. It includes a salary freeze (the second year in a row for all employees); reduction of: 200 positions, some custodial support; 15 percent in supplies and textbooks; elimination of most summer school classes. There will be new fees for participation in Virginia High School League sports and for Advanced Placement (AP) and International Baccalaureate (IB) tests.

If you have a student entering sixth grade next year, he or she may need a booster dose of Tdap (tetanus, diphtheria, acellular pertussis). If your child is 11, he or she should get the Tdap immunization, and documentation should be provided to the school. If your child is 10, he or she may receive the Tdap vaccine, Boostrix—approved for 10-year-olds—or he or she may wait until the 11th birthday to receive the vaccine approved for 11-year-olds. Students can receive immunizations required for school free at Fairfax County Health Department walk-in immunization clinics.
